

Bearing No. NA4900

|                |                                                  |
|----------------|--------------------------------------------------|
| C              | 13 mm                                            |
| S              | 1 mm                                             |
| B              | 13 mm                                            |
| D              | 22 mm                                            |
| d              | 10 mm                                            |
| Fw             | 14 mm                                            |
| Noun           | Bearing                                          |
| Bore           | 0.394 Inch   10 Millimeter                       |
| Width          | 0.512 Inch   13 Millimeter                       |
| Weight         | 0,025 Kg                                         |
| UNSPSC         | 31171512                                         |
| r5 min.        | 0,3 mm                                           |
| Retainer       | Yes                                              |
| Category       | Needle Non Thrust Roller Bearing                 |
| Separable      | Inner Ring - Both Sides                          |
| Size (mm)      | 10x22x13                                         |
| Enclosure      | Open                                             |
| Component      | Complete with Outer and Inner Ring               |
| Inventory      | 0.0                                              |
| Closed End     | No                                               |
| Width (mm)     | 13                                               |
| Weight / LBS   | 0.055                                            |
| Product Group  | B04144                                           |
| Inch - Metric  | Metric                                           |
| Self Aligning  | No                                               |
| Thrust Bearing | No                                               |
| Other Features | Plain Inner Ring   2 Rib Outer Ring   Steel Cage |

|                               |                                                                                                                                                                                                          |
