

Bearing No. 7209CDTP4

|                 |                              |
|-----------------|------------------------------|
| D               | 85 mm                        |
| C               | 19 mm                        |
| B               | 19 mm                        |
| d               | 45 mm                        |
| Noun            | Bearing                      |
| Bore            | 1.772 Inch   45 Millimeter   |
| Width           | 1.496 Inch   38 Millimeter   |
| UNSPSC          | 31171531                     |
| Preload         | None                         |
| Category        | Precision Ball Bearings      |
| Size (mm)       | 45x85x19                     |
| Inventory       | 0.0                          |
| Enclosure       | Open                         |
| Width (mm)      | 19                           |
| Weight / LBS    | 1.759                        |
| Flush Ground    | Yes                          |
| Inch - Metric   | Metric                       |
| Cage Material   | Nylon                        |
| Raceway Style   | 1 Rib Outer Ring             |
| Contact Angle   | 15 Degree                    |
| Product Group   | B04270                       |
| Bearing number  | 7209CDTP4                    |
| Keyword String  | Angular Contact Ball         |
| Other Features  | Single Row   Angular Contact |
| Angle (?)       | 15 °                         |
| Precision Class | ABEC 7   ISO P4              |
| Rolling Element | Ball Bearing                 |
| Material - Ball | Steel                        |
|                 |                              |

|                             |                                                                                                                                                                                                                                     |
