

Bearing No. 4T-HM212047/HM212010

|                      |                      |
|----------------------|----------------------|
| D                    | 122,238 mm           |
| d                    | 63,5 mm              |
| T                    | 38,354 mm            |
| B                    | 38,354 mm            |
| C                    | 29,718 mm            |
| Category             | Bearings             |
| Size (mm)            | 63.5x122.238x38.354  |
| Inventory            | 0.0                  |
| Width (mm)           | 38,354               |
| Product Group        | B04334               |
| Bearing number       | 4T-HM212047/HM212010 |
| Manufacturer Name    | NTN                  |
| Weight / Kilogram    | 1.92                 |
| Bore Diameter (mm)   | 63,5                 |
| Outer Diameter (mm)  | 122,238              |
| Minimum Buy Quantity | N/A                  |
