

Bearing No. NJ2315-E-MA6+HJ2315-E

|                               |                           |
|-------------------------------|---------------------------|
| B                             | 55 mm                     |
| D                             | 160 mm                    |
| S                             | 4,2 mm                    |
| C                             | 55 mm                     |
| d                             | 75 mm                     |
| F                             | 95 mm                     |
| B2                            | 11 mm                     |
| d1                            | 104,3 mm                  |
| B3                            | 19,5 mm                   |
| D1                            | 136 mm                    |
| Weight                        | 5,43 Kg                   |
| r1 min.                       | 2,1 mm                    |
| r2 min.                       | 2,1 mm                    |
| r3 min.                       | 2,1 mm                    |
| r4 min.                       | 2,1 mm                    |
| Size (mm)                     | 75x160x55                 |
| Width (mm)                    | 55                        |
| Bearing number                | NJ2315-E-<br>MA6+HJ2315-E |
| Bore Diameter (mm)            | 75                        |
| Outer Diameter (mm)           | 160                       |
| Basic dynamic load rating (C) | 368 kN                    |
