

Bearing No. SIJK6C

|                                                                                               |                         |
|-----------------------------------------------------------------------------------------------|-------------------------|
| Width (B)                                                                                     | 9.0000                  |
| Width (mm)                                                                                    | 9                       |
| Weight (g)                                                                                    | 25.00                   |
| Bore Dia (d)                                                                                  | 6.0000                  |
| Bearing number                                                                                | SIJK6C                  |
| Body Dia. (d3)                                                                                | 10.000                  |
| Thread Size (G)                                                                               | M6                      |
| Radius (min) (rs)                                                                             | 0.300                   |
| Bore Diameter (mm)                                                                            | 6                       |
| Rod End Width (d2)                                                                            | 20.000                  |
| Body End Dia. (d4)                                                                            | 13.000                  |
| Thread Length (l1)                                                                            | 9.000                   |
| Body End Flats (W)                                                                            | 10.000                  |
| Body End Width (l5)                                                                           | 5.000                   |
| Rod End Thickness (C1)                                                                        | 7.500                   |
| Rod Overall Length (l2)                                                                       | 40.000                  |
| Bore Center to Body (l7)                                                                      | 11                      |
| Static Load Rating (Cor)                                                                      | 5,200                   |
| Dynamic Load Rating (Cr)                                                                      | 4,700                   |
| Mis-alignment Angle (a deg.)                                                                  | 9                       |
| Bore Center to End of Rod (h)                                                                 | 30.000                  |
| Spherical Diameter (dk or Dk)                                                                 | 12.700                  |
| Bearing Type - steel-on-PTFE composite                                                        | steelonPTFE composite   |
| Material - Body - Carbon steel-zinc plated, Ball - Hardened chrome steel-chrome plated, Liner | PTFE composite material |
