

Bearing No. AST650 WC16

|                                                  |                                           |
|--------------------------------------------------|-------------------------------------------|
| Material                                         | Cast bronze with solid lubricant inserts. |
| Bearing Type                                     | thrust washer                             |
| Bearing number                                   | AST650 WC16                               |
| Bore Diameter (mm)                               | 16                                        |
| Outer Diameter (mm)                              | 50                                        |
| Shaft Dia., Nominal (d)                          | 16.0000                                   |
| Mounting Hole Dia. (dm)                          | 3.500                                     |
| Washer Thickness, Nominal (S)                    | 3                                         |
| Mounting Hole Pitch Dia. (dp)                    | 35                                        |
| Washer Inside Diameter, Nominal (di)             | 16                                        |
| Bearing Outside Diameter, Nominal(Do)            | 50.000                                    |
| Washer Outside Diameter, Nominal (Do)            | 50                                        |
| Washer Thickness Tolerance (S3 tol.) - +0 / -0.1 | +0 / 0.1                                  |
