

Bearing No. UCTL207-400

|                               |             |
|-------------------------------|-------------|
| J                             | 700 mm      |
| d                             | 35 mm       |
| B                             | 42,9 mm     |
| H                             | 92 mm       |
| L                             | 760 mm      |
| N                             | 15 mm       |
| S                             | 17,5 mm     |
| T                             | 400 mm      |
| T1                            | 150 mm      |
| H1                            | 44 mm       |
| H2                            | 176 mm      |
| Weight                        | 10 Kg       |
| Bolt (G)                      | M12         |
| Width (mm)                    | 42,9        |
| Bearing number                | UCTL207-400 |
| Bore Diameter (mm)            | 35          |
| Basic dynamic load rating (C) | 25,7 kN     |
| Basic static load rating (C0) | 15,4 kN     |
