

Bearing No. UCT207-22E

|                               |            |
|-------------------------------|------------|
| H                             | 102 mm     |
| L                             | 129 mm     |
| d                             | 34,925 mm  |
| S                             | 17,5 mm    |
| A                             | 37 mm      |
| N                             | 22 mm      |
| B                             | 42,9 mm    |
| N1                            | 16 mm      |
| L1                            | 78 mm      |
| H2                            | 64 mm      |
| H1                            | 88,9 mm    |
| N2                            | 37 mm      |
| A1                            | 13,5 mm    |
| L3                            | 64 mm      |
| L2                            | 13 mm      |
| A2                            | 30 mm      |
| Weight                        | 1,6 Kg     |
| Bearing number                | UCT207-22E |
| Bore Diameter (mm)            | 34,925     |
| Basic dynamic load rating (C) | 25,7 kN    |
| Basic static load rating (C0) | 15,4 kN    |
