

Bearing No. 54210U+U210

|                               |             |
|-------------------------------|-------------|
| T                             | 47 mm       |
| d                             | 52 mm       |
| d1                            | 40 mm       |
| D1                            | 82 mm       |
| D2                            | 62 mm       |
| Weight                        | 0,89 Kg     |
| Bearing number                | 54210U+U210 |
| Bore Diameter (mm)            | 52          |
| (Grease) Lubrication Speed    | 2300 r/min  |
| Basic dynamic load rating (C) | 48,5 kN     |
| Basic static load rating (C0) | 111 kN      |
