

Bearing No. UCFL207-22E

|                               |             |
|-------------------------------|-------------|
| d                             | 34,925 mm   |
| A                             | 34 mm       |
| B                             | 42,9 mm     |
| H                             | 161 mm      |
| J                             | 130,2 mm    |
| L                             | 90 mm       |
| N                             | 13 mm       |
| S                             | 17,5 mm     |
| A0                            | 44,4 mm     |
| A1                            | 14 mm       |
| A2                            | 19 mm       |
| Weight                        | 1,2 Kg      |
| Bearing number                | UCFL207-22E |
| Bore Diameter (mm)            | 34,925      |
| Basic dynamic load rating (C) | 3 kN        |
| Basic static load rating (C0) | 15,4 kN     |
