

Bearing No. GEGZ95HS/K

|                                                     |                                   |
|-----------------------------------------------------|-----------------------------------|
| Material                                            | 52100 Chrome steel, or equivalent |
| Width (B)                                           | 4.1200                            |
| Weight (g)                                          | 8,360.00                          |
| Width (mm)                                          | 104,648                           |
| Bearing Type                                        | double direction thrust           |
| Bore Dia (d)                                        | 3.7500                            |
| Outer Dia (D)                                       | 6.2500                            |
| Bearing number                                      | GEGZ95HS/K                        |
| Outer Width (Bo)                                    | 1.9350                            |
| Inner Width (Bi)                                    | 3.7380                            |
| Bore Diameter (mm)                                  | 95,25                             |
| Outer Diameter (mm)                                 | 158,75                            |
| Dynamic Load Rating (Cr)                            | 174,216                           |
| Static Load Rating (Cor)                            | 696,864                           |
| Spherical Diameter (dk or Dk)                       | 5.748                             |
| Lubrication Groove Location (A)                     | 0.781                             |
| Max. shaft corner radius, or 45 deg. chamfer (ch1)  | 0.080                             |
| Max. housing corner radius, or 45 deg. chamfer (ch) | 0.180                             |
