

Bearing No. 16005/ZZ/C3

|                          |           |
|--------------------------|-----------|
| Weight                   | Shields   |
| Radius Rs min            | 0.060 Kg  |
| Outside Ring Width B     | 0.300 mm  |
| Outside Diameter D       | 8.000 mm  |
| Features                 | 47.000 mm |
| Cr - Dynamic Load Rating | 16000 rpm |
| C0r - Static Load Rating | 11000 rpm |
| Bore Size d              | 7 kN      |
| Clearance                | C3        |
| Bearing Type             | 4.60 kN   |
| Grease Reference Speed   | 25 mm     |
