

Bearing No. 16006/C3

|                          |           |
|--------------------------|-----------|
| Weight                   | Open      |
| Radius Rs min            | 0.080 Kg  |
| Outside Ring Width B     | 0.300 mm  |
| Outside Diameter D       | 9.000 mm  |
| Features                 | 55.000 mm |
| Cr - Dynamic Load Rating | 14000 rpm |
| C0r - Static Load Rating | 10000 rpm |
| Bore Size d              | 9.2 kN    |
| Clearance                | C3        |
| Bearing Type             | 6.30 kN   |
| Grease Reference Speed   | 30 mm     |
