

Bearing No. 62305/2RS/C3

|                          |               |
|--------------------------|---------------|
| Weight                   | Contact Seals |
| Radius Rs min            | 0.3 Kg        |
| Outside Ring Width B     | 1.100 mm      |
| Outside Diameter D       | 24.000 mm     |
| Features                 | 62.000 mm     |
| Cr - Dynamic Load Rating | 14000 rpm     |
| C0r - Static Load Rating | 14000 rpm     |
| Bore Size d              | 22.5 kN       |
| Clearance                | C3            |
| Bearing Type             | 11.6 kN       |
| Grease Reference Speed   | 25 mm         |
