

# Roller Bearings - TDI (Tapered Double Inner) Imperial | H244849D/H244810

Bearing No. H244849D/H244810

|                                                 |                                                                  |
|-------------------------------------------------|------------------------------------------------------------------|
| Series                                          | 8.6250 in219.075 mm                                              |
| r - Cup Backface "To Clear" Radius <sup>2</sup> | 7.7499 in196.847 mm                                              |
| Design Units                                    | H244800                                                          |
| Db - Cup Backface Backing Diameter              | 0.060 in1.50 mm                                                  |
| da - Cone Frontface Backing Diameter            | Spacer shows standard nominal .01 radii, actual bearing may vary |
| D - Cup Outer Diameter                          | Imperial                                                         |
| d - Bore                                        | 14.1250 in358.775 mm                                             |
| Cup Part Number                                 | H244810                                                          |
| Cone Part Number                                | H244849D                                                         |
| Cage Type                                       | Stamped Steel                                                    |
| C - Cup Width                                   | 3.3750 in85.725 mm                                               |
| Bearing Weight                                  | 175.40 lb79.600 Kg                                               |
| Ab - Cage-Cone Frontface Clearance              | 7.8750 in200.025 mm                                              |
