

Metric OH Hydraulic Adapter Sleeve | OH3036H

Bearing No. OH3036H

|                           |           |
|---------------------------|-----------|
| Weight                    | M180x3    |
| Bearing Number            | 6.83 Kg   |
| Housing Construction      | 9 mm      |
| UPC Code                  | M6        |
| Shaft Size Type           | MBL36     |
| Full Timken Part Number   | KML 36    |
| Locking Style             | 109.00 mm |
| Y2 - Geometry Factor      | 4.2 mm    |
| Y1 - Geometry Factor      | 210 mm    |
| Shaft Tolerance           | 160.00 mm |
| Shaft Size                | 29.5 mm   |
| Pre Install Clearance Min | HMV36     |
