

**Bearing No. OH2344H**

|                           |           |
|---------------------------|-----------|
| Weight                    | Tr220x4   |
| Bearing Number            | 17.0 Kg   |
| Housing Construction      | 9 mm      |
| UPC Code                  | M6        |
| Shaft Size Type           | MB44      |
| Full Timken Part Number   | HM44T     |
| Locking Style             | 186.00 mm |
| Y2 - Geometry Factor      | 4.2 mm    |
| Y1 - Geometry Factor      | 280 mm    |
| Shaft Tolerance           | 200.00 mm |
| Shaft Size                | 35 mm     |
| Pre Install Clearance Min | HMV44     |
