

Metric OH Hydraulic Adapter Sleeve | OH3052H

Bearing No. OH3052H

|                           |           |
|---------------------------|-----------|
| Weight                    | Tr260x4   |
| Bearing Number            | 15.30 Kg  |
| Housing Construction      | 9 mm      |
| UPC Code                  | M6        |
| Shaft Size Type           | MS3052    |
| Full Timken Part Number   | HM3052    |
| Locking Style             | 145.00 mm |
| Y2 - Geometry Factor      | 4.2 mm    |
| Y1 - Geometry Factor      | 310 mm    |
| Shaft Tolerance           | 240.00 mm |
| Shaft Size                | 34 mm     |
| Pre Install Clearance Min | HMV52     |
| Pre Install Clearance Max | 46.00 mm  |
