

Metric OH Hydraulic Adapter Sleeve | OH3288H

Bearing No. OH3288H

|                           |           |
|---------------------------|-----------|
| Weight                    | Tr440x5   |
| Bearing Number            | 118.00 Kg |
| Housing Construction      | 12 mm     |
| UPC Code                  | M8        |
| Shaft Size Type           | MS3188    |
| Full Timken Part Number   | HM3188    |
| Locking Style             | 361.00 mm |
| Y2 - Geometry Factor      | 6.5 mm    |
| Y1 - Geometry Factor      | 560 mm    |
| Shaft Tolerance           | 410.00 mm |
| Shaft Size                | 70 mm     |
| Pre Install Clearance Min | HMV88     |
| Pre Install Clearance Max | 90.00 mm  |
