

Metric OH Hydraulic Adapter Sleeve | OH3296H

Bearing No. OH3296H

|                           |           |
|---------------------------|-----------|
| Weight                    | Tr480x5   |
| Bearing Number            | 153 Kg    |
| Housing Construction      | 12 mm     |
| UPC Code                  | M8        |
| Shaft Size Type           | MS3196    |
| Full Timken Part Number   | HM3196    |
| Locking Style             | 397.00 mm |
| Y2 - Geometry Factor      | 6.5 mm    |
| Y1 - Geometry Factor      | 620 mm    |
| Shaft Tolerance           | 450.00 mm |
| Shaft Size                | 75 mm     |
| Pre Install Clearance Min | HMV96     |
| Pre Install Clearance Max | 95.00 mm  |
