

Metric OH Hydraulic Adapter Sleeve | OH31/530H

Bearing No. OH31/530H

|                           |           |
|---------------------------|-----------|
| Weight                    | Tr530x6   |
| Bearing Number            | 161.00 Kg |
| Housing Construction      | 12 mm     |
| UPC Code                  | M8        |
| Shaft Size Type           | MS31/530  |
| Full Timken Part Number   | HM31/530  |
| Locking Style             | 364.00 mm |
| Y2 - Geometry Factor      | 6 mm      |
| Y1 - Geometry Factor      | 670 mm    |
| Shaft Tolerance           | 500.00 mm |
| Shaft Size                | 80 mm     |
| Pre Install Clearance Min | HMV106    |
| Pre Install Clearance Max | 105.00 mm |
