

Metric OH Hydraulic Adapter Sleeve | OH39/630H

Bearing No. OH39/630H

|                           |           |
|---------------------------|-----------|
| Weight                    | Tr630x6   |
| Bearing Number            | 124.00 Kg |
| Housing Construction      | 12 mm     |
| UPC Code                  | M8        |
| Shaft Size Type           | MS30/630  |
| Full Timken Part Number   | HM30/630  |
| Locking Style             | 254.00 mm |
| Y2 - Geometry Factor      | 6 mm      |
| Y1 - Geometry Factor      | 730 mm    |
| Shaft Tolerance           | 600.00 mm |
| Shaft Size                | 75 mm     |
| Pre Install Clearance Min | HMV126    |
| Pre Install Clearance Max | 97.00 mm  |
