

Metric OH Hydraulic Adapter Sleeve | OH31/710H

Bearing No. OH31/710H

|                           |           |
|---------------------------|-----------|
| Weight                    | Tr710x7   |
| Bearing Number            | 392.00 Kg |
| Housing Construction      | 13 mm     |
| UPC Code                  | G1/8      |
| Shaft Size Type           | MS31/710  |
| Full Timken Part Number   | HM31/710  |
| Locking Style             | 467.00 mm |
| Y2 - Geometry Factor      | 8 mm      |
| Y1 - Geometry Factor      | 900 mm    |
| Shaft Tolerance           | 670.00 mm |
| Shaft Size                | 106 mm    |
| Pre Install Clearance Min | HMV142    |
| Pre Install Clearance Max | 135.00 mm |
