

**Bearing No. 6206/C3**

|                          |               |
|--------------------------|---------------|
| Weight                   | Open          |
| Radius Rs min            | 0.2 Kg        |
| Outside Ring Width B     | 1.000 mm      |
| Outside Diameter D       | 16.000 mm     |
| Features                 | 62.000 mm     |
| Cr - Dynamic Load Rating | 16000 rpm     |
| C0r - Static Load Rating | 11000 rpm     |
| Bore Size d              | 19.5 kN       |
| Clearance                | C3            |
| Bearing Type             | 11.3 kN       |
| Grease Reference Speed   | 30 mm         |
| Oil Reference Speed      | Standard DGBB |
