

Deep Groove Ball Bearings (6000, 6200, 6300, 6400) | 6013/2RS/C3

Bearing No. 6013/2RS/C3

|                          |               |
|--------------------------|---------------|
| Weight                   | Contact Seals |
| Radius Rs min            | 0.43 Kg       |
| Outside Ring Width B     | 1.100 mm      |
| Outside Diameter D       | 18.000 mm     |
| Features                 | 100.000 mm    |
| Cr - Dynamic Load Rating | 9700 rpm      |
| C0r - Static Load Rating | 6700 rpm      |
| Bore Size d              | 30.5 kN       |
| Clearance                | C3            |
| Bearing Type             | 23.5 kN       |
| Grease Reference Speed   | 65 mm         |
| Oil Reference Speed      | Standard DGBB |
