

**Bearing No. 6222/N/C3**

|                          |               |
|--------------------------|---------------|
| Weight                   | O.D. Groove   |
| Radius Rs min            | 4.440 Kg      |
| Outside Ring Width B     | 2.100 mm      |
| Outside Diameter D       | 38.000 mm     |
| Features                 | 200.000 mm    |
| Cr - Dynamic Load Rating | 6100 rpm      |
| C0r - Static Load Rating | 4300 rpm      |
| Bore Size d              | 144 kN        |
| Clearance                | C3            |
| Bearing Type             | 117 kN        |
| Grease Reference Speed   | 110 mm        |
| Oil Reference Speed      | Standard DGBB |
