

Deep Groove Ball Bearings (6000, 6200, 6300, 6400) | 6228/2RS/C3

Bearing No. 6228/2RS/C3

|                          |               |
|--------------------------|---------------|
| Weight                   | Contact Seals |
| Radius Rs min            | 7.45 Kg       |
| Outside Ring Width B     | 3.000 mm      |
| Outside Diameter D       | 42.000 mm     |
| Features                 | 250.000 mm    |
| Cr - Dynamic Load Rating | 4900 rpm      |
| C0r - Static Load Rating | 3400 rpm      |
| Bore Size d              | 166 kN        |
| Clearance                | C3            |
| Bearing Type             | 150 kN        |
| Grease Reference Speed   | 140 mm        |
| Oil Reference Speed      | Standard DGBB |
